

USCDI+ User Guide

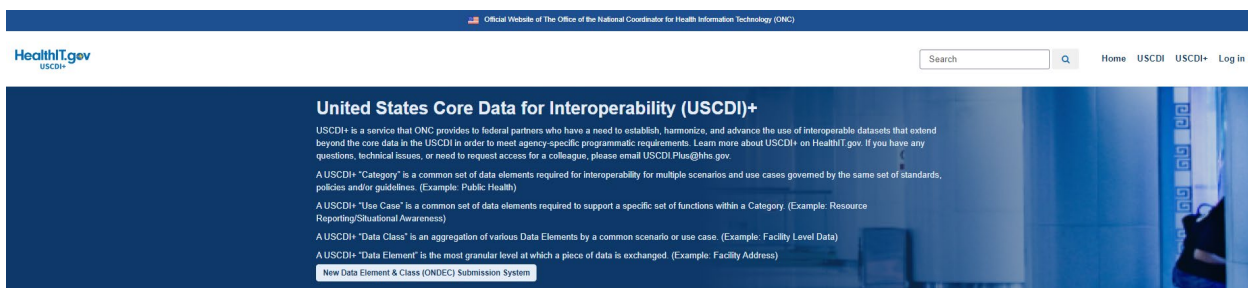

User Account Creation and Password Changes

Creating a USCDI+ User Account

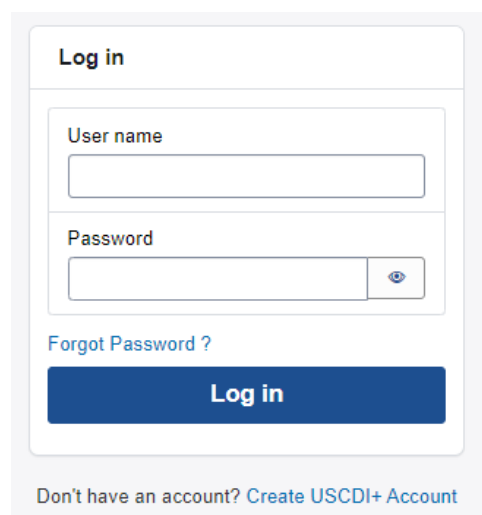

In order to post comments, submit new data elements for consideration, filter or export data from the USCDI+ platform, a user account is required.

To create an account, complete the following steps:

1. From the homepage, click Log in at the top right:

2. From the Log in screen, Click "Create USCDI+ Account" below the Log in button:

A screenshot of the "Log in" form. The form is titled "Log in" and contains two input fields: "User name" and "Password". The "Password" field has a toggle icon (an eye) to the right of the input box. Below the input fields, there is a link "Forgot Password ?" and a blue "Log in" button. At the bottom of the form, there is a link "Don't have an account? Create USCDI+ Account".

3. Complete the fields on the User Registration form to create your USCDI+ user account:

USCDI+ User Registration

* Indicates required

First name

Last name

* Email

* Organization Type/Affiliation (Please select the one that best describes your affiliation)

-- None --

* Add Organization

Sign Up

Required information

Email

Organization Type/Affiliation (Please select the one that best describes your affiliation)

Add Organization

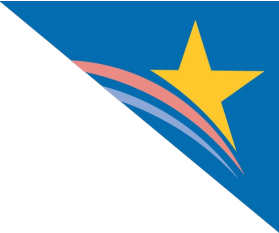

4. After you submit the Sign Up form, you will receive a verification email from the system (USCDI.Plus@hhs.gov), which includes a verification link. Click the link to confirm your email address and activate your account.

Note: this must be completed within 24 hours or your registration will expire and you will need to complete the steps above again.

Subject: Verify your email address

Hello

Thank you for registering a USCDI+ account.
Please confirm that you want to use this as your account email address by clicking on the link given below:
[Verify Account](#)
Please note that you cannot use your account without activation.
The link will expire in 24 hours to keep your account secure.

5. After verifying your email address, you will receive another email that will allow you to set your USCDI+ platform account password. Click the “Set a new Password” link.

Note: this must be completed within 12 hours or your registration will expire and you will need to complete the steps above again.

Subject: Set a new password to access your account

Hi

Your user account is successfully created on USCDI+ Service Portal.
Your user name is.
Please set your password to access your user account by clicking on the link below.
[Set a new Password.](#)

Note: This link will expire in 12 hours.

6. Follow on-screen prompts to create your password, ensuring it meets the minimum system requirements for password strength.

The screenshot shows the 'Reset Password' interface on the HealthIT.gov USCIB+ platform. At the top, there are three steps: 1 Identify, 2 Verify, and 3 Reset (the current step). The title 'Reset Password' is centered, followed by the status 'Account is not locked'. Below this is a 'New password' field with a red asterisk, a strength indicator bar, and a list of requirements: Minimum 8 characters, Maximum 100 characters, At least 1 lowercase letter(s), At least 1 uppercase letter(s), At least 1 digit(s), and At least 1 special character(s). A note states, 'We'll also check these requirements once you submit', followed by three bullet points: 'No repetitions more than 3 character(s)', 'No sequence more than 3 character(s)', and 'No user data like first name, last name, username, and company name'. Below the requirements is a 'Retype password' field with a red asterisk. At the bottom is a 'Reset Password' button. The background features a stylized landscape with green hills and a blue sky with a yellow star.

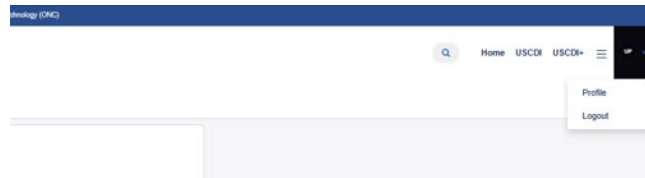

7. You will now be able to Log in to the USCIB+ platform using the Log in link, and able to perform functions where an account is required (submitting data elements for consideration, commenting, filtering and exporting data) when you are logged in.

Changing Your USCDI+ Account Password

To change your password for any reason while you still have access to the USCDI+ platform, complete the following steps:

1. After clicking on your user initials in the circle at the top right corner of the screen, click on “Profile” in the drop down menu.

2. From your profile page, scroll down to the “Change My Password” section, enter your current password and your new password twice to confirm.
3. Click on the “Update” button to complete your password change.

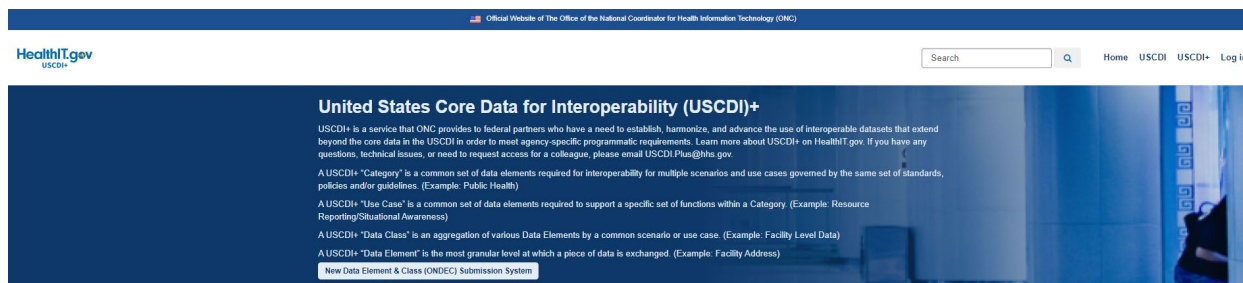

A screenshot of the 'My Profile USCDI+' page. The page has a header with the 'HealthITgov' logo and navigation links. The main content area is titled 'USCDI+ Contributor Persona' and includes an 'Upload Picture' button. Below this is a 'User preferences' section with toggle switches for 'Accessibility enabled', 'Enable Analytics', and 'Configure Multi Factor Authentication'. The 'Change My Password' section contains three input fields: 'Current Password', 'New password', and 'Confirm Password', followed by an 'Update' button. The footer contains 'Resources' and 'Links' sections.

Resetting Your Password

If you have forgotten your password and do not have access to your account to reset your password via your user profile, complete the following steps to reset your password:

1. From the homepage, click Log in at the top right:

2. From the Log in screen, Click “Forgot Password?” above the Log in button:

Log in

User name

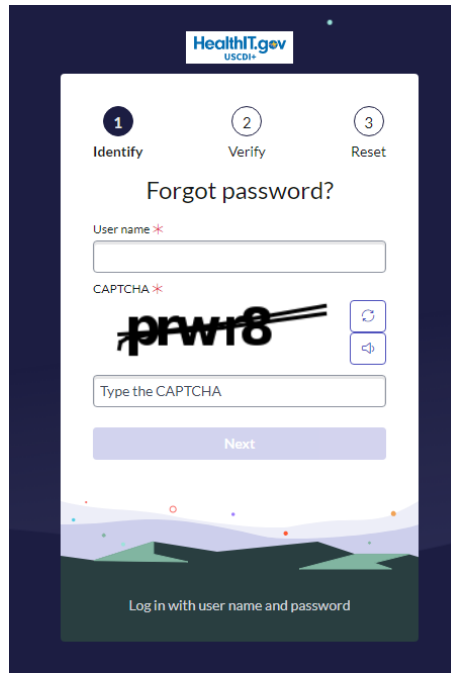

Password

[Forgot Password ?](#)

Log in

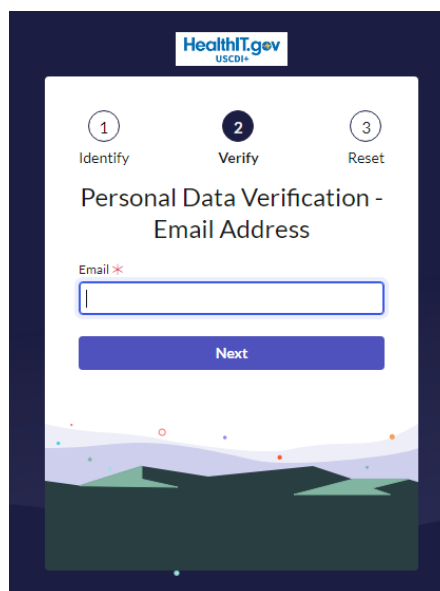

Don't have an account? [Create USCDI+ Account](#)

3. Enter your user name (typically your email address), and the characters shown in the CAPTCHA field.

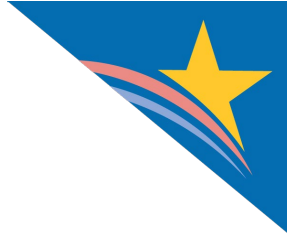

The screenshot shows the HealthIT.gov login interface. At the top, the logo 'HealthIT.gov' and 'USCDI+' are visible. Below the logo, there are three numbered steps: 1 Identify, 2 Verify, and 3 Reset. The 'Identify' step is active. The main heading is 'Forgot password?'. Below this, there is a 'User name' field with a red asterisk. Below the 'User name' field is a 'CAPTCHA' field with a red asterisk. The CAPTCHA image shows the characters 'prwr18' with a stylized '1' and '8'. To the right of the CAPTCHA image are two icons: a refresh icon and a speaker icon. Below the CAPTCHA field is a 'Type the CAPTCHA' field. At the bottom of the form is a 'Next' button. The background features a stylized landscape with green hills and a blue sky with a yellow star.

4. Enter the email address associated with your account for verification.

The screenshot shows the HealthIT.gov login interface. At the top, the logo 'HealthIT.gov' and 'USCDI+' are visible. Below the logo, there are three numbered steps: 1 Identify, 2 Verify, and 3 Reset. The 'Verify' step is active. The main heading is 'Personal Data Verification - Email Address'. Below this, there is an 'Email' field with a red asterisk. Below the 'Email' field is a 'Next' button. The background features a stylized landscape with green hills and a blue sky with a yellow star.

5. You will receive an email message with a link to reset your password.

Note: you will have 12 hours to complete the password reset before the link expires.

Subject: Password Reset

Hello,

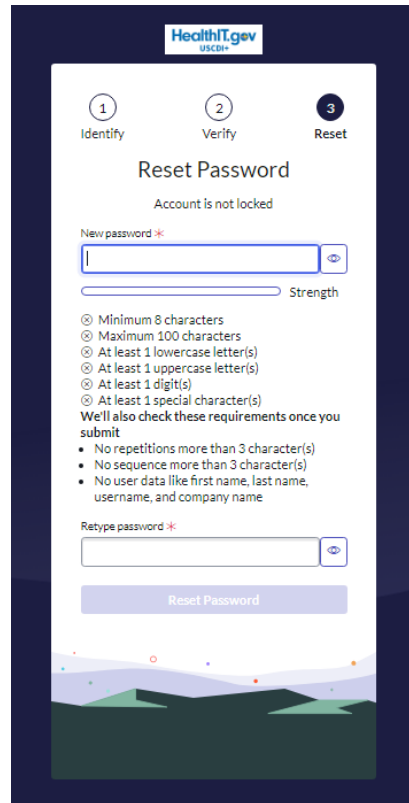

A password reset was requested for your user account on the USCDI+ platform <https://uscapiplus.healthit.gov/>

[Click here to reset your password.](#)

If you do not want to reset your password, please disregard this email.

The link will expire in 12 hours.

6. Click the link to reset your password follow on-screen prompts to create your new password, ensuring it meets the minimum system requirements for password strength.

The screenshot shows the 'Reset Password' interface on the HealthIT.gov USCIB website. At the top, there are three steps: 1 Identify, 2 Verify, and 3 Reset, with the 'Reset' step being the active one. The title 'Reset Password' is centered, followed by the status 'Account is not locked'. Below this is a 'New password' field with a red asterisk indicating a required field. To the right of the field is an eye icon for toggling visibility. Below the field is a 'Strength' indicator bar. A list of requirements follows, each with a radio button icon: Minimum 8 characters, Maximum 100 characters, At least 1 lowercase letter(s), At least 1 uppercase letter(s), At least 1 digit(s), and At least 1 special character(s). Below these is a note: 'We'll also check these requirements once you submit', followed by three bullet points: 'No repetitions more than 3 character(s)', 'No sequence more than 3 character(s)', and 'No user data like first name, last name, username, and company name'. Below the requirements is a 'Retype password' field, also with a red asterisk and an eye icon. At the bottom is a 'Reset Password' button. The background of the form is white, and the entire interface is set against a dark blue background with a stylized landscape at the bottom.

If you require further assistance, please email USCDI.Plus@hhs.gov for support.
